

SKETCHING FOR PLANNING SCHOLARSHIPS

The Inland Empire Section of the American Planning Association invites planners, architects, urban and landscape designers to join a group of Urban Sketchers for a sketchcrawl through Downtown Disney.

What is a sketchcrawl?

A sketchcrawl is a group of artists gathering in a general location to capture moments and tell the story of a place through sketches and paintings. Participation is free and open to anybody with an interest in urban sketching; artists of all levels and ages are welcome. All you need is something to draw with and something to draw on (oh, and maybe water and a snack).

This event is designed to build community among planners and professionals from other design disciplines and to raise money for the California Planning Foundation's Scholarship fund.

Guest artist and author of *Sketching from Square One ... to Trafalgar Square*, Richard E. Scott will be in attendance. <http://www.sketchingfromsquareone.com/>

Where: Downtown Disney (La Brea Bakery Cafe)

When: August 30, 2014

Meet at: 9:00 am

The event is free (except for parking - Disneyland parking is \$17.00). Participants are encouraged to donate at least one sketch to the IES/APA. All the artwork will be auctioned during the 2014 APA CA Conference to take place in Anaheim, CA from September 13-16, 2014.
