## Thoughts from a Developer

**Randall Lewis** | Executive Vice President, Lewis Group of Companies

**Lewis Group Of Companies**

Randall Lewis is an industry leader in the areas of land use and sustainable development initiatives, and is well known throughout the region for his efforts in the areas of the arts, education, and community health.

## Trends & Implications for IE Planning Commissioners

**Randy Jackson** | President, PlaceWorks

Mr. Jackson has 42 years experience in planning and design, and is an expert on the integration of transportation, open space and recreation systems in master-planned communities.
